

## What is a School-Family Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

### Effective Compacts:

- Link to goals of the school improvement plan.
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

### Jointly Developed

Parents, students, teachers, and faculty members work together to develop our School-Family Compact. Each school year, at least two meetings are held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals.

Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during our Title I Stakeholder Input Meetings.

This compact is uniquely developed to meet the needs and goals of our school and students

We will provide all students with high quality curriculum and instruction in a supportive and effective learning environment.

## Activities to Build Partnerships

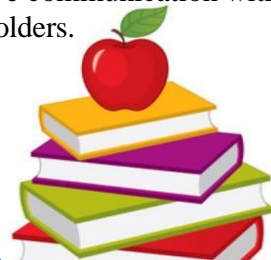

- Title I Stakeholder Input Meetings (August 26 and September 22, 2022)
- Title I Annual Meeting (09/30/22)
- Monthly Virtual Coffee & Conversation Sessions.
- As needed, additional parent meetings and workshops will be held virtually to assist parents in understanding the Georgia Standards of Excellence (GSE).

### Volunteering & Observations

If you would like to volunteer, participate, and observe in the classroom, please contact us at 678-676-5702 or visit our website. Check the link for DCSD volunteer guidelines: [https://bit.ly/DCSD\\_VolunteerPolicy22](https://bit.ly/DCSD_VolunteerPolicy22)

### Communication about Student Learning

- ICES is committed to frequent communication with families about student learning. Some of the ways we can foster effective communication include:
- Parent/teacher conferences, Friday Folders, Infinite Campus and Canvas Parent Portals, email, phone conferences, teacher websites, and Calling posts.
- Translation services will be provided to improve communication with our stakeholders.

## Indian Creek Elementary School

### School-Family Compact For the 2022-2023 School Year

Revised: 9/23/2022

**Mrs. Stephanie Brown-Bryant,  
Principal**

**Mrs. Monica McLester,  
Assistant Assistant Principal**

**Mr. Babatunji Ifarinu, Assistant  
Assistant Principal**

**Phone: 678-676-5702**

## Goals of DeKalb County School District:

### Goal Area I:

Student Success with Equity and Access  
Improve student's mastery of learning standards

The DeKalb County School District will increase the percentage of students scoring at the Developing Learner level or above on the Georgia Milestones Literature and Math End of Grade (EOG) Assessment.

### Goals of Indian Creek Elementary School

At Indian Creek Elementary, we will provide all students with high quality curriculum and instruction in a supportive and effective learning environment.

#### Priority Area #1:

By the end of the **2022-2023** school year, all students will demonstrate mastery of English Language Arts standards as measured by:  
an increase in the percentage of students achieving proficient or higher on the English Language Arts Georgia Milestones Assessment, the number of students meeting or exceeding their expected growth projection for Measures of Academic Performance Reading RIT scores, and an increase in the number of students who are performing on or above corresponding grade level Lexile bands.

#### Priority Area #2:

By the end of the **2022-2023** school year, all students will demonstrate mastery of math standards as measured by an increase in the percentage of students achieving proficient or higher on the math.

### At Indian Creek Elementary Teachers will...

- Provide Reading strategies/resources to parents to reinforce Guided Reading skills at home with their children.
- We will offer parent workshops on how to improve student writing at home. Provide parents with guided writing strategies that can be used at home to improve student's writing ability.
- We will offer parent math workshops to provide parents with number talk strategies that can be used at home to improve students' math skills.
- We will Communicate frequently through Infinity Campus with parents about students' progress and needs for improvement in Math and Literacy.

### As Indian Creek Elementary Parents and families, we will...

- Utilize the reading strategies/resources provided by teacher to work with my child at home
- Review reading strategies/resources provided from teachers to reinforce Guided Reading skills at home with my children. Will participate in parent workshops to learn how to improve my child's writing at home.
- I will contribute in parent workshops to learn how to I can use number talks to improve my child's math proficiency at home.
- I will communicate frequently through Infinity Campus with teachers about students' progress and needs for improvement in Math and Literacy.

### At Indian Creek Elementary Students will...

- I will participate and use reading resources and strategies in literacy and practice those skills at home.
- Work with my family to practice the Guided writing strategies at home. I will practice writing at home daily to improve writing ability.
- I will practice number talk strategies to improve my math skills.
- I will talk with my parents and teachers to set goals for my progress and improvement in Math and Literacy Proficiency.
